

NUEVO DOSSIER INFINITY AND

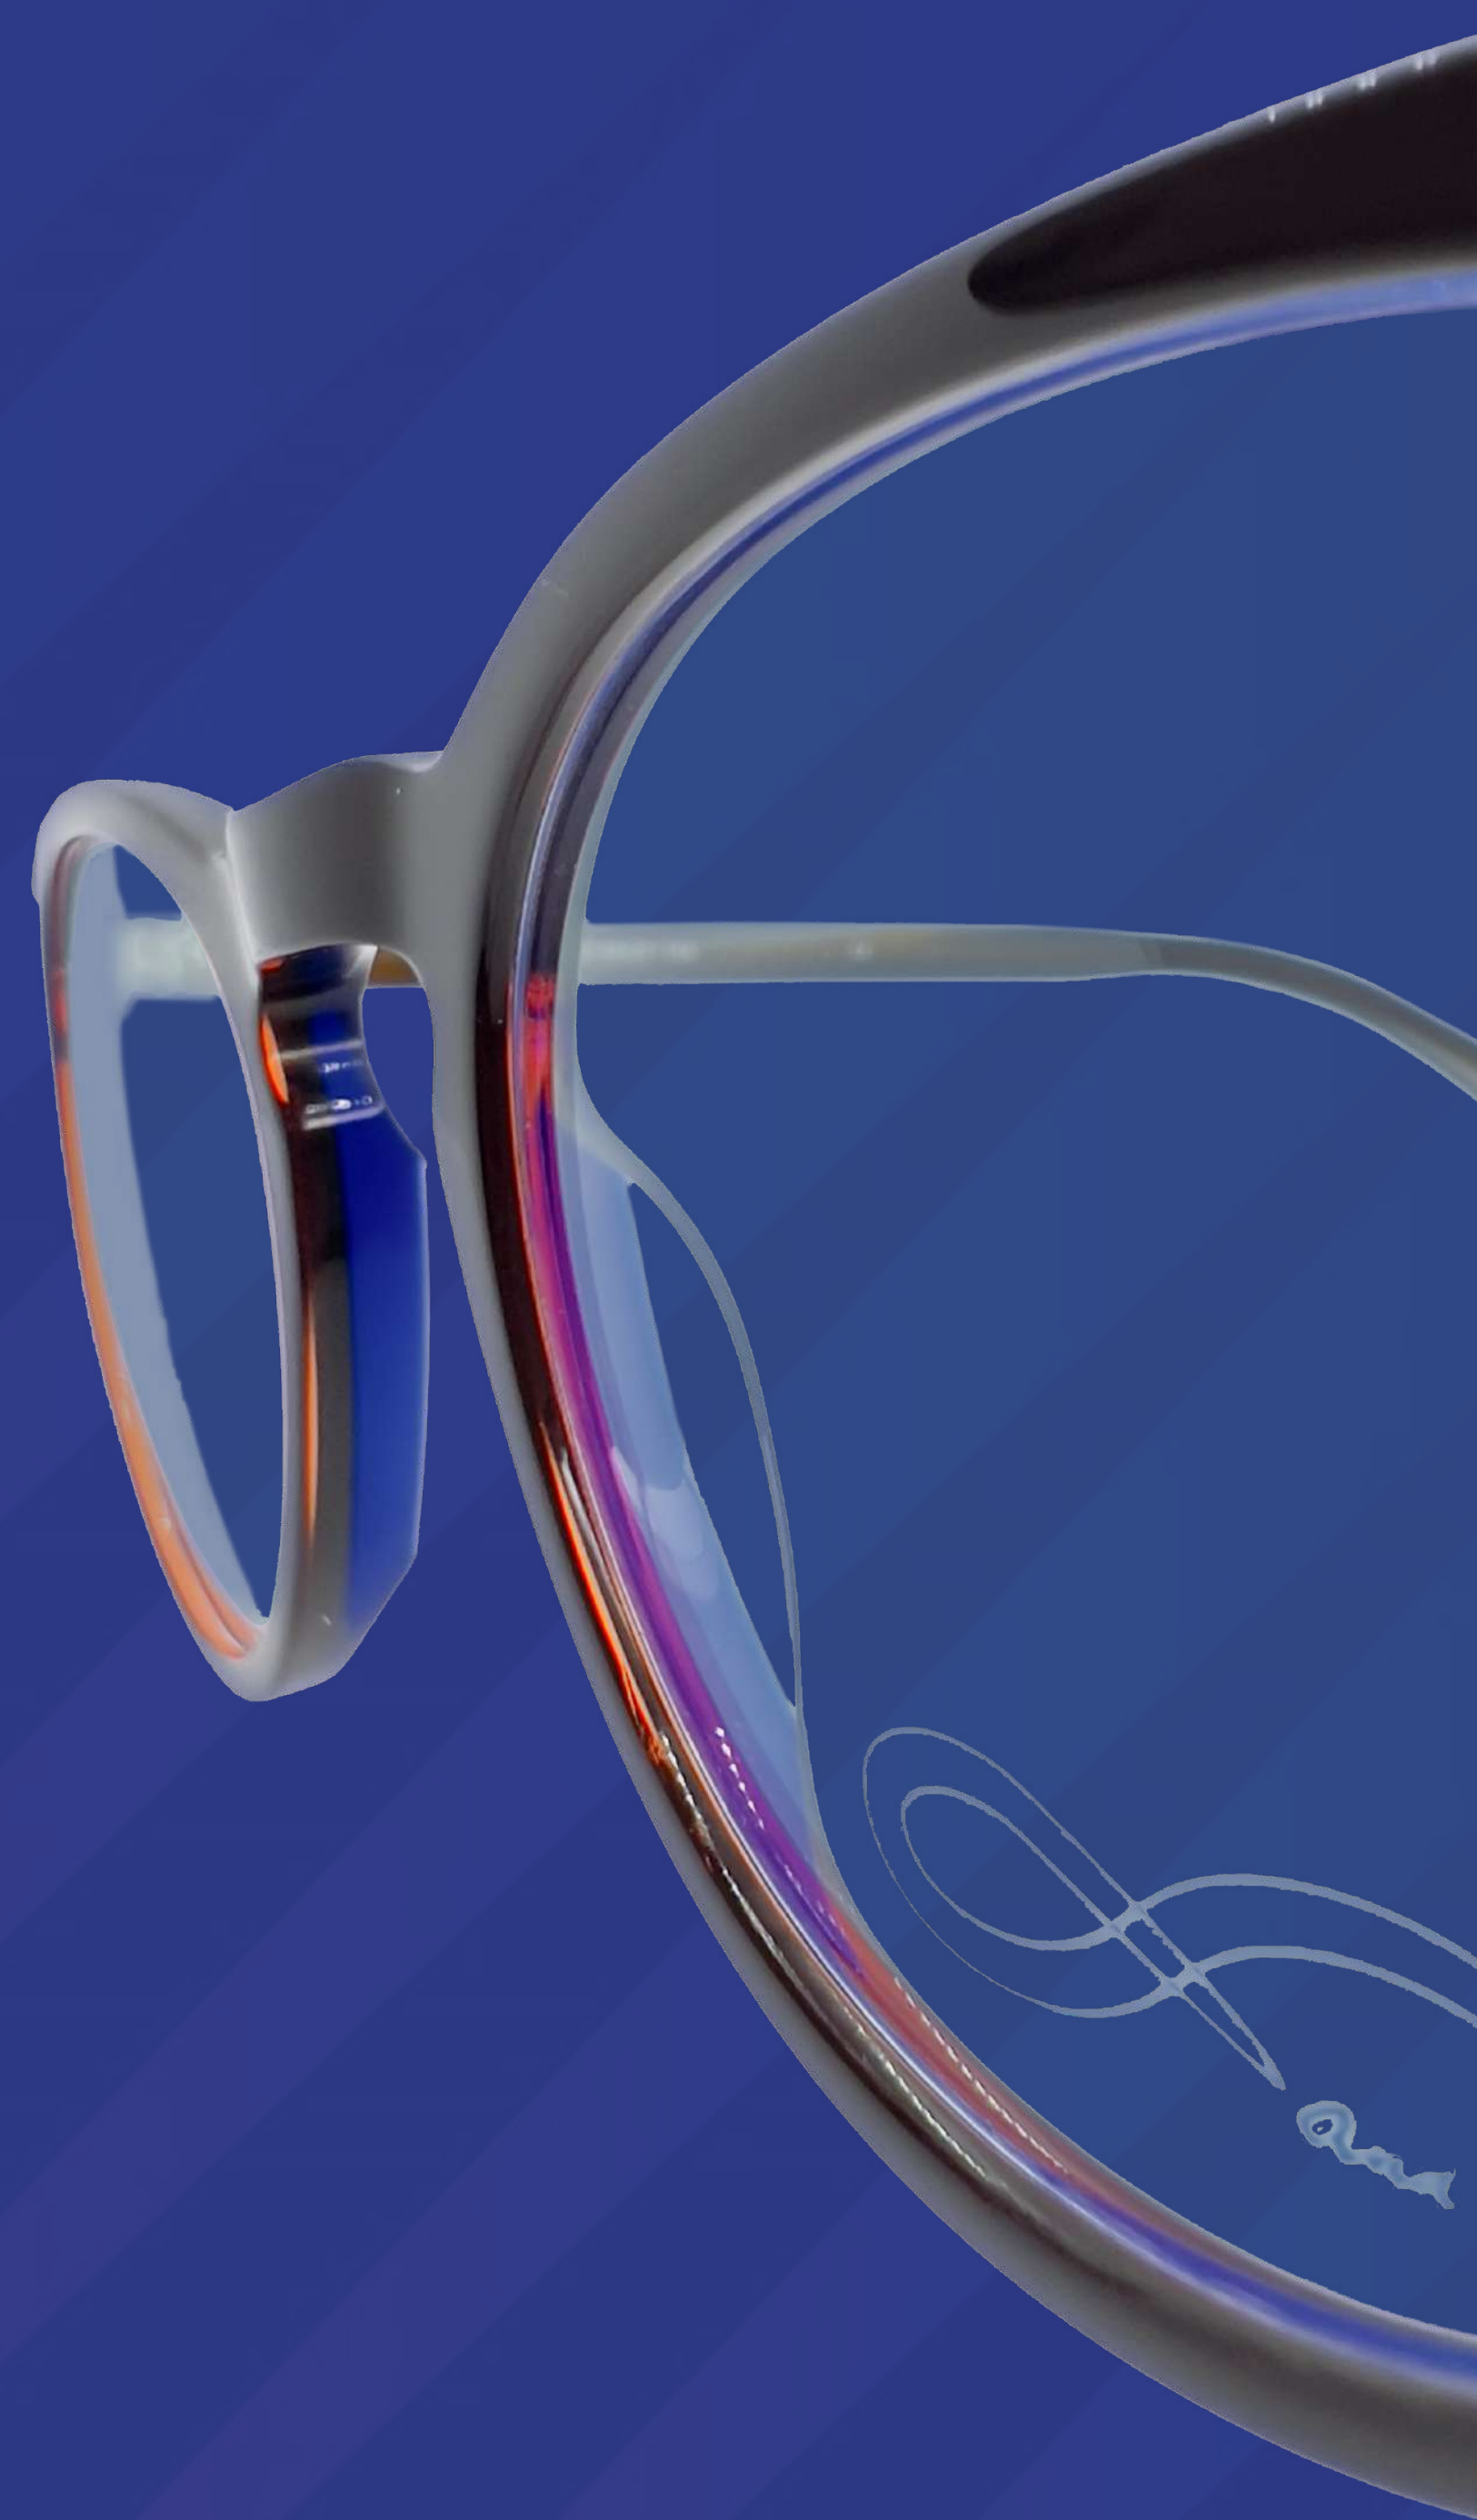

De profesional a profesional

Infinity es la marca de gafas diseñadas por ópticos, para ópticos.

Basándonos en últimas tendencias de mercado, hemos creado una potente y atractiva línea de lentes para todos los públicos que rebosan estilo, personalidad... y beneficios.

Muy actuales, muy comerciales.

La esencia

Y todo se sustenta en un principio:
mimar minuciosamente cada componente,
por insignificante que éste nos parezca.

Porque para **Infinity**, la **esencia** es la suma de
de los *pequeños detalles*.

El objetivo

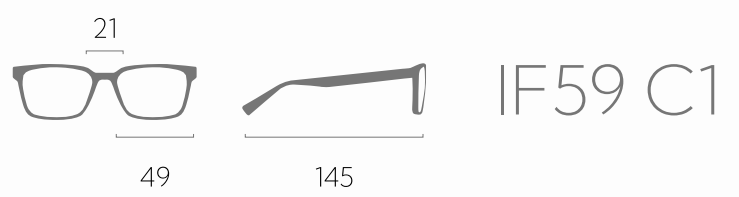

Infinity pretende convertirse en la marca mejor comprometida del sector con sus clientes, ofreciendo **calidad** y **variedad** de productos a **precios** muy competitivos.
